

## Earth Treks Climbing Team Fall 2015 Tryout Results

We had a fantastic fall tryout this past week with over 150 young climbers attending. Thanks to all who attended and making this tryout a huge success. The competition was fierce but we have put together our final list.

If your child is not listed on one of the teams below, then they are recommended for our Recreational Climbing Club program (Ages 9-13) or one of our open enrollment programs (Ages 13+) particularly, Intro to Movement, Fundamentals of Bouldering, or Intermediate Rock Climbing. Registration for Recreational Climbing Club opens at 10am on Wednesday August 19th.

To accept your invitation to the team, you must complete the Team Registration and Billing Agreement before this Sunday August 23<sup>rd</sup> at midnight; otherwise we will be unable to guarantee your child's spot on the team.

Please review the Parent Handbook & Team Code of Conduct carefully before completing your registration. Also note that there is a mandatory parent meeting to cover these materials on the following dates:

Columbia – Thursday September 10 from 5:30-6pm

Rockville – Monday September 14 from 5:30-6pm

Timonium – Wednesday September 16 from 5:30-6pm

A guardian of each team member must attend ONE of these meetings. No RSVP necessary.
